## **Question 2**

Read the following text. Then, answer question (a) - (j).

Dear diary,

I am a big boy, 14 years to be exact yet I do not make friends easily. I am shy and tongue-tied especially with strangers. I think the problem lies with me. I do not trust people easily. Therefore, I have only a small circle of friends and they are the people who sit beside me in the classroom. I have no friends outside the school.

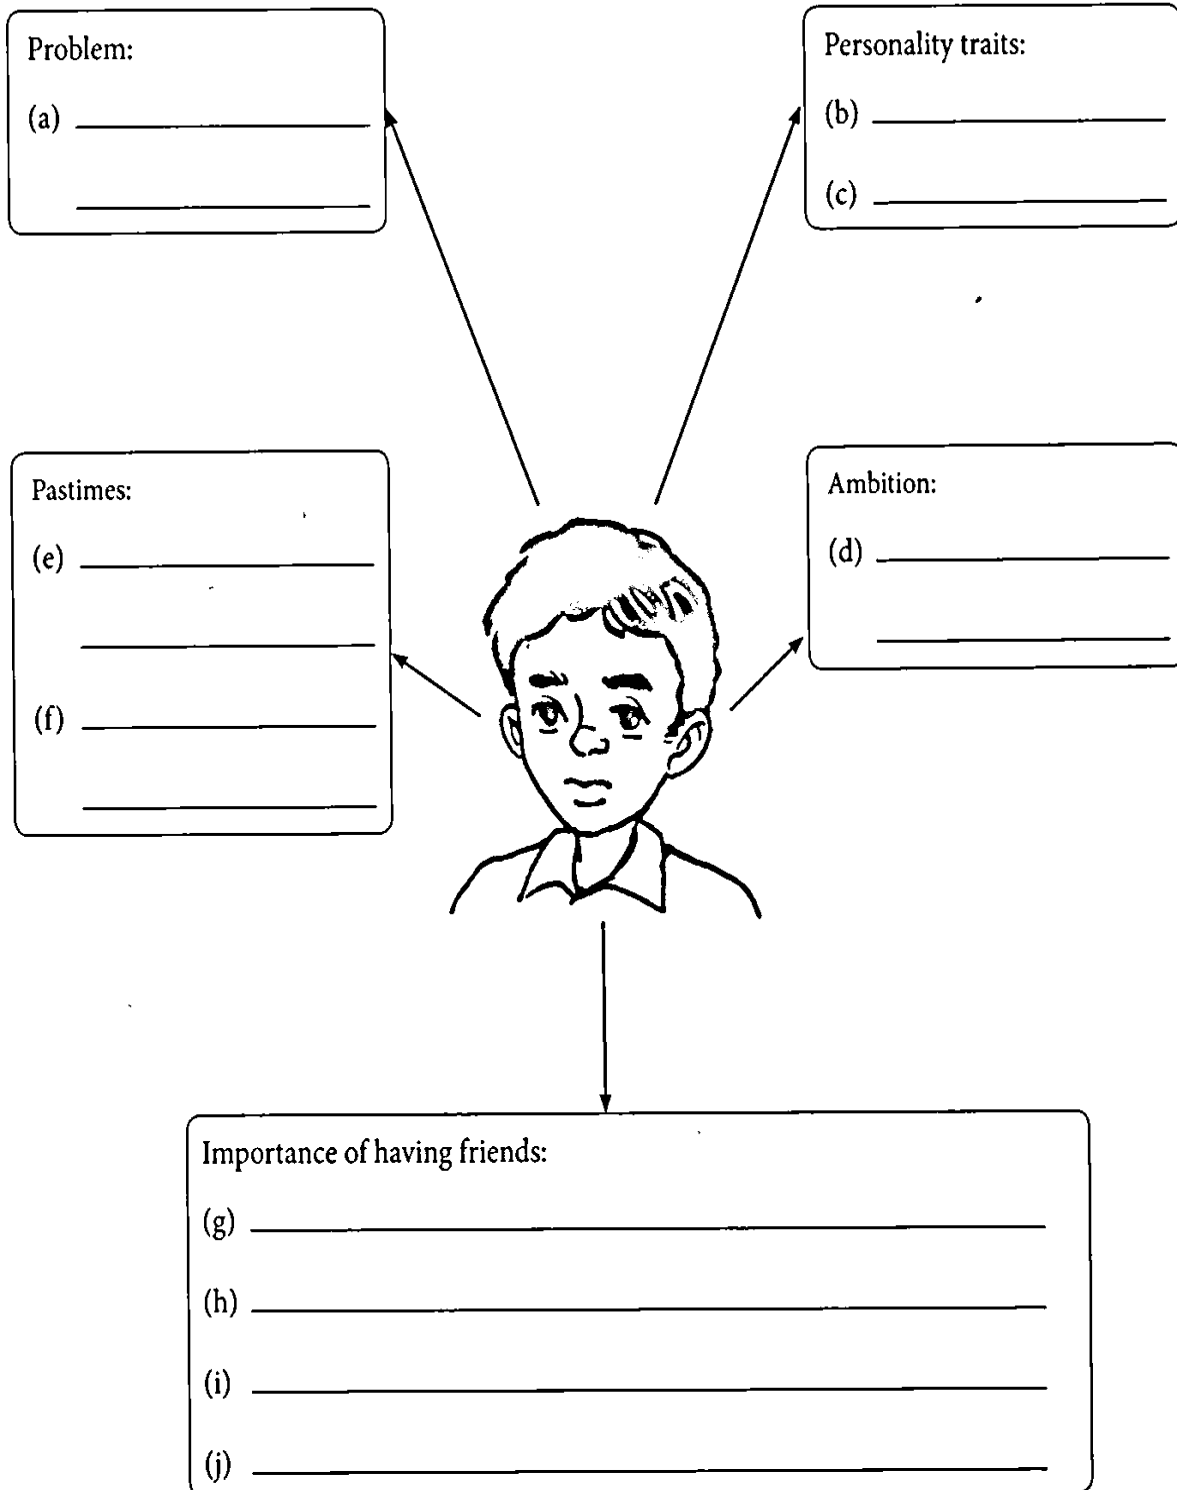

I know the importance of having friends. They tell me friends give you an outlet to vent your frustrations. Friends take your mind away from daily routine work. Friends help you to sort out your problems. Friends help you to decide what you want to do with your life.

So, what do I do in my free time? Well, I listen to music and play lots of computer games. I know this is unhealthy. What do I want to be when I grow up? I guess I'll have to do some thing that will not involve dealing with people – a programmer, perhaps.

**Question 4**

Read the letter from Dahlan to Jennifer.

No 12, Jalan SS 2/8,  
Sungai Way,  
47300 Petaling Jaya,  
Selangor Darul Ehsan.

28 June 2014

Dear Jennifer,

How are you? I am fine here. I hope you are fine too. I received your letter three days ago. I was very shocked to hear that your house has been robbed last month. I was also very relieved to find out that you and your family were not at home when that incident happened.

Next time, you should be very careful. As you live in the city, you have to beware of robbery. Besides, the number of robberies is soaring day by day. Therefore, I would like to share some home safety tips with you here.

Firstly, ensure that the gates, doors and windows are locked at all times. An open gate, door or window is indeed an invitation to robberies. So, remember to lock them before leaving the house. You can install a burglar alarm to further fortify your home against robberies besides using padlocks and safety chain latch.

Next, keep your money and jewellery in the bank. You can be reassured that your valuables are safer in the bank than at home. This is because they will not get anything valuable from your house. You should make the surrounding of your house brighter by switching on the lights at night. This will prevent the robbers or burglars from breaking in your house.

Finally, inform your neighbours when you are going on a holiday. They will keep an eye on your house. I advise you to give them the house keys to switch on the lights at night and collect your letters in the box when you are not around. Thus, robbers and burglars will not know that you are not around.

I hope that you will adhere to these tips to ensure that robbers will not break in your house again. Take care and keep in touch.

Your friend,  
*Dahlan*

### Question 5

Read the poem below carefully. Then, answer questions (a) – (d).

#### News Break

Now why so loving, darling,  
And why the sudden kiss?  
You'd help me with some little jobs?  
For goodness sake, what's this?

Your face is clean for once, dear,  
Your clothes without a crease.  
You saved your luncheon money?  
Will wonders never cease?

No dropping of your school books,  
No shrieking, childish treble.

But surely you're some stranger,  
No rage or hullabaloo.  
Come closer, let me look, dear,  
Can this be REALLY you?

Now were you struck by lightning  
Or were you stunned at sport?  
Ah ... now I see the reason.  
You've brought your school report!

Today you are a lamb, love,  
Where yesterday a rebel.
